It is respectfully requested that the cited documents be considered and that the enclosed copy of Information Disclosure Citation Form PTO/SB/08A be initialed by the Examiner to indicate such consideration and a copy thereof returned to applicant. The Examiner has advised that these listed references from the parent application PCT/GB00/01732 have been considered but a PTO-1449 was required. Applicants do not believe it is therefore necessary to attach copies of the listed patents.

Pursuant to 37 C.F.R. §197(h), the submission of this Information Disclosure Statement is not to be construed as a representation that a search has been made and is not to be construed as an admission that the information cited in this statement is material to patentability.

Pursuant to 37 C.F.R. §1.97, this Information Disclosure Statement is being submitted under 37 C.F.R. §1.97(b).

Should any fee be required, please charge Account No. 10-1324.

Respectfully submitted,
